

# PUMP CYLINDER OPTIONS

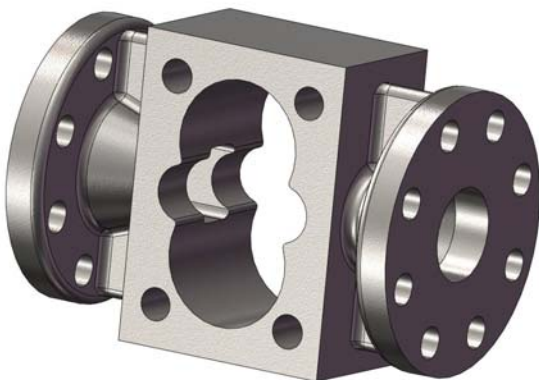

## FLANGED

**CAST STEEL**  
With Brazed Iron Insert  
Designed for High Pressure

**CAST IRON**  
Excellent for medium pressure  
Great for Lube Oil

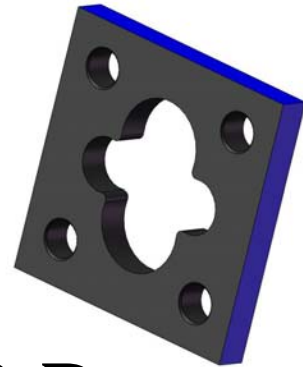

**CAST STAINLESS STEEL**  
Corrosion Resistance  
Best with medium to high viscosity

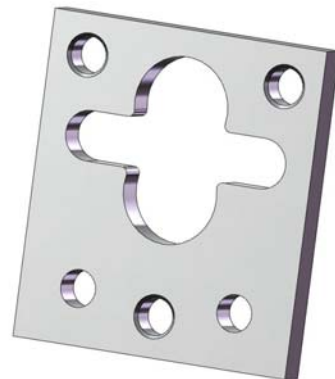

## BLIND OR NPT CONNECTIONS

**CARBON STEEL**  
With Brazed Iron Insert  
Designed for High Pressure

**G2 DURABAR**  
Excellent for medium pressure  
Great for Lube Oil

**STAINLESS STEEL**  
416 – 304 – 316 Options  
Best with medium to high viscosity
